

ICT Box Scheme - Hi-Tech Kit on Short Term Loan

Bee-Bot

What it is?

Bee-Bots are programmable floor robots. The Bee-Bot's simple and child friendly layout is a perfect starting point for teaching control, directional language and programming to young children.

Bee-bots have: Clear and bright buttons; Memory of up to 40 steps;
Sounds and flashing eyes confirm your instructions.
Can be used in many cross-curricular lessons.

What you get?

- A set of 6 Bee-Bots in a backpack
- Let's Go with BeeBot book
- Some blank Bee-Bot grids
- Support: online, on the phone and face to face.

What we want?

- Feedback, a short description of how you used the technology in practice.
- Any useful presentations that you create.
- Photos of the system in use (remember permissions)

This will be shared with fellow practitioners, possible on the Computer centre website.
