

ICT Box Scheme - Hi-Tech Kit on Short Term Loans

AVerVision CP130 Digital Document Camera

What it is?

AVerVision CP130 Digital Document Camera is a portable document camera with a flexible and portable design. Producing high quality images, it includes features for classroom presentation and demonstrations.

Digital Document Camera can be used by teachers to present material from books and worksheets. Pupils can display and discuss their work. Teachers and pupils can demonstrate various procedures to the class that are difficult to view. The software for viewing can annotate the pictures etc. You can take photos and record video to your computer.

What you get?

- 1 AVerVision CP130 Digital Document Camera
- Support: online, on the phone and face to face.

What we want?

- Feedback, a short description of how you used the technology in practice.
- Any useful presentations that you create.
- Photos of the system in use (remember permissions)

This will be shared with fellow practitioners, possibly on the Computer Centre website.
