I Can Animate Animation Kit

What it is?

I Can Animate is a Stop Motion Animation tool. I Can Animate can be used by 'budding' film makers and educators to Stop Frame Animations (also known as claymation).

Designed for all ages the, I Can Animate lets you create movies using a variety of animation techniques. Work with different video layers so that you can create an animation from video captured from a camera, pictures you have drawn yourself or both together.

What you get?

- I Can Animate Stop frame animation software
- Special USB 2 Camera
- Table Top Tripod
- Stikfas animation figure
- Chromakey screen.

What we want?

- Feedback, a short description of how you used the technology in practice.
- Any useful presentations that you create.
- Photos of the system in use (remember permissions)

This will be shared with fellow practitioners, possible on the Computer centre website.
