

## ICT Box Scheme - Hi-Tech Kit on Short Term Loans

### Flip Ultra Digital Video Camera

#### What it is?

The Flip Digital Video Camera is one of the easiest to use video camera available. Pocket size, easy to hold, even by 3 year olds the flip produces good quality 640 x 480 video. The video is easy to import onto a pc and mac via the built in USB cable.

Flip video cameras can be used by pupils to record learning in all sorts of areas. Great for collaborative work. recording science experiments, trips, pe and making videos as a way to learn in all sorts of areas. See <http://tinyurl.com/flip35> for some more ideas.

Videos can be edited in iMovie (mac) or Movie Maker (pc).

#### What you get?

- (x) Flip Digital Video Camera(s)
- Support: online, on the phone and face to face.

#### What we want?

- Feedback, a short description of how you used the technology in practice.
- Any useful presentations that you create.
- Photos of the system in use (remember permissions)

This will be shared with fellow practitioners, possible on the Computer centre website.
